### WORLD SCIENCE FESTIVAL

The World Science Festival brings together great minds in science and the arts to produce live and digital content that presents the wonders of science and the drama of scientific discovery to a broad general audience. Its mission is to cultivate a general public informed by science, inspired by its wonder, convinced of its value, and prepared to engage with its implications for the future.

**Discount:** Moving Image members receive **10% off** World Science Festival membership. Contact [members@movingimage.us](mailto:members@movingimage.us) for online discount code. May not be combined with any other offer.

For more information or to get your business involved, please contact Katie Kita, Membership Manager, at **718 777 6840**.
